This has been our ambition since 2018 to bring the World's best Walking Footballing countries to Down Under - much more exciting details on that to come.

Sweden 2025

The next immediate job, is to now seek out potential talented over 70s players for Sweden next year. That process begins today.

Our Aims

The Australian Walking Football Walkaroos is dedicated to fostering an inclusive and competitive environment. It aims to raise the standards of Walking Football in Australia and ensure that the country is well-represented on the international stage. Interstate Trialists

Interstate players hoping to trial from SA, WA, ACT & Victoria can nominate to be assessed at the Pan Pacs in November, IF they are playing there of course. If not, we will go on the recommendations of each state talent scouts and you will be required to supply video footage of yourself playing in a relevant competitive game in the Over 70s age group and possibly at a tournament. We anticipate any trialist would be seeking to play as much competition as possible.
