

## Mike Capstick

Born in the UK in Nelson, near Burnley. Emigrated with my parents and sister when I was 11 as a £10 pom.

Graduated from university with a Bachelor of Business in 1979 in Tasmania. Worked as an Accountant/Office Manager for Myer.

Briefly employed as a state government auditor before taking up a role as a TAFE teacher.

Over the next 28 years I taught accounting, small business management and finally computing, specialising in web and educational game development.

A fond memory is drinking 3 10oz beers just before a game, scoring a hat trick by half time including one from our half. I'm pretty certain I can't do either of these today.

Very happily married to Denise. I have four children from a previous marriage.

We moved to the Sunshine Coast 2019 from Tasmania after retiring and we love it.

Liverpool fan but enjoy watching any skillful team. I played football from the age of 5 and futsal from 30. I play futsal 2/3 times a week sometimes more, to the regret of my body.

Apart from football I play chess and cycle.
